About Seaside Cottages

We invite you to share in the beauty of our secluded Nova Scotia oceanfront cottages. Located on four acres in Lockeport, Nova Scotia, our cottages offer spectacular ocean views and direct access to Crescent Beach, a mile-long stretch of white sand so picturesque that it was once featured on the Canadian \$50 bill.

Our location is private, decidedly non-commercial, and yet convenient to all of the history, charm and adventure of Nova Scotia's Lighthouse Route. At Seaside Cottages you can have the best of both worlds: Relax and enjoy the privacy of an oceanfront retreat, or immerse yourself in the almost limitless number of activities available on Nova Scotia's South Shore.

Create Your Own Perfect Day

Wake up to a breathtaking sunrise. Grab a cup of coffee and watch the sea and shore birds, with Gull Rock Lighthouse in the background.

Explore the local attractions or just take a walk on the beach. Wind down at the end of the day with your own seaside BBQ and the soothing sound of the waves lapping the shore right off your front porch.

Whether your perfect day is peaceful and quiet or an exciting Nova Scotia adventure, you will find our setting incomparable.

The kitchen comes fully equipped with a refrigerator, stove, microwave oven, toaster, coffeemaker, lobster pot, plates, cups, glasses, dishes, cooking utensils and cutlery.

The two bedrooms (queen, twins) have Egyptian cotton sheets and duvets. All linens and bath towels are provided.
